To Whom It May Concern,

We have had the pleasure of working with Chill Refrigeration for several years. They consistently exhibit a high level of competence and attention to detail, contributing to the success of every project. Their team members display a strong work ethic, effective communication skills, and commitment to meeting project milestones and deadlines. Furthermore, I would like to commend their firm for their proactive approach to problem solving. Whenever challenges arise, they are always quick to identify viable solutions, to ensure the project remains on track and meets the highest standard of quality.

It is without reservation that I would highly recommend their firm to any client. Their professionalism, expertise and dedication to delivering high quality results make them an ideal partner in any construction endeavor.

If you have any questions or require additional information, please do not hesitate to contact me at kalderman@knacontracting.com or 336-470-4813. I am more than willing to provide further insight into our experience working together.
